Sir:

The computer readable form in this application, 10/532,489, is identical with that filed in international application no. PCT/US03/33707, filed October 23, 2003, of which the instant application is the US national stage. In accordance with 37 CFR 1.821(e), please use the computer readable form filed in the international application as the computer readable form for the instant application. It is understood that the Patent and Trademark Office will make any necessary change in application number and filing date for the computer readable form that will be used for the instant application. A paper copy of the sequence listing identical to the computer readable form is included in the original specification of the instant application.

If there are any questions regarding this submission or the application in general, a telephone call to the undersigned at (202) 624-2845 would be

appreciated since this should expedite the prosecution of the application for all concerned.

If necessary to effect a timely response, this paper should be considered as a petition for an Extension of Time sufficient to effect a timely response, and please charge any deficiency in fees or credit any overpayments to Deposit Account No. 05-1323 (Docket # 029065.51088US2).

Respectfully submitted,

February 21, 2006
